## **Orascom Construction Joint Venture to Commence Construction at Abu Rawash Wastewater Treatment Plant in Egypt**

Orascom Construction Limited (NASDAQ Dubai: OC; EGX: ORAS) announces that its 50:50 joint venture with FCC Aqualia, a subsidiary of FCC, has signed the notice to proceed for the Engineering, Procurement and Construction (EPC) contract for Abu Rawash Wastewater Treatment plant in Egypt, paving the way for the start of construction.

The EPC contract was awarded to the JV in September 2017 for approximately USD 320 million. In addition to the EPC scope, the joint venture will operate and maintain the 1.6 million cubic meters per day facility for three years. Once complete, the facility will serve 6 million people.

### **About Orascom Construction Limited**

Orascom Construction is a leading global engineering and construction contractor primarily focused on infrastructure, industrial and high-end commercial projects in the Middle East, North Africa, the United States, and the Pacific Rim. OC has consistently ranked among the world's top contractors and is ranked number 32 on ENR's 2017 Top 250 International Contractors list. The Group also develops and invests in infrastructure opportunities, owns 50% of BESIX Group, and holds a construction materials and property management portfolio.
