## **Orascom Construction Announces the Start of Tunnelling Work at Cairo Metro Line III Phase III**

Orascom Construction Limited (NASDAQ Dubai: OC; EGX: ORAS) announces the break in of the tunnel boring machine (TBM) at Phase III of Cairo Metro Line III.

This event marks a major milestone in the project. Under execution by an Egyptian-French joint venture comprised of VINCI, Bouygues and Arab Contractors, the third phase of Line III will stretch across 18 km of tunneling and viaduct works, including 15 elevated, grade and underground stations.

Orascom Construction continues to play a key role in the development of Cairo Metro. The Group is currently involved in all phases under construction.

### **About Orascom Construction Limited**

Orascom Construction Limited is a leading global engineering and construction contractor primarily focused on infrastructure, industrial and high-end commercial projects in the Middle East, North Africa, the United States, and the Pacific Rim. The Group has consistently ranked among the world's top contractors and is ranked number 32 on ENR's 2017 Top 250 International Contractors list.
